July 2006

From The Presidents Desk

by Tim Cowper

Let me start by saying that I love New York. I really do. (Actually, I don't like the NY winters but that may change if I can ever get some skis for the Skyboy!) Anyway, that being said, I'm really getting sick of these rainy weekends. The ever-changing weather forecasts are really annoying too. But, I won't dwell. Let's think positive. Rainy days are a great time to work on your planes. So you people working on airplanes (you know who you are) please get them finished up.

Everything is set for the Poker Run. We've added Mohawk Valley to the list of airports. The ink pads and stamps will be on location well in advance, so if anybody wants to fly (or drive!) the course in the early morning feel free. Please try to make it, even if only for the hotdogs, hamburgers, and camaraderie. If we can just get some good weather this will be a fun event. Any questions can be directed to Chris 883-8428, Fred 661-5623, or Doug 863-2409.

Aside from Oshkosh, 602 doesn't have anything scheduled in July. If anyone has any ideas regarding an outing please let me know. I realize July is notoriously the month people go off on vacation, but, if you aren't going to Oshkosh, or any place else, then do some brainstorming. I was thinking of maybe a visit to the Schenectady Air Museum like some have talked about in the past, but that may be a better plan for this winter. I know there are people who have

building projects ongoing and if you are planning a wing covering or something cool like that please consider letting the rest of us come to your shop for a Monday night lesson. Also, I'm up for just about any fly-out ideas.

I'm happy to report that we've awarded the John Milczarek Memorial Academic Scholarship to a Fonda/Fultonville senior by the name of Erik Whiting. Amazingly, Erik was the only applicant, but he is well qualified. Erik and his dad will be at our regular meeting, on Monday June 26, where he will receive the award from Ruth. Congratulations Erik!

Don't forget that Sunday mornings (in good weather!) where nothing is scheduled, meet at Mohawk Valley at 9:00AM for breakfast. If the valley is fogged in then we go to FulCo. Also, Friday evenings at 6:30PM is the barbeque at the diner at FulCo. These are casual get together, just for fun, so

fly in or drive in. Best to call, email, or post on the message board to find out who may be there.

I'm still waiting for several people to submit articles for future newsletters.

Think positive for good weather. See you at the poker run!
